SUCCESSFUL COMPLETION OF THE PROGRAM

The EXSEL Discipleship Program employs a point system to determine if a participant satisfactorily completes the program requirements: 4000 points for each of the Fall and Spring semesters and 2000 points for the Summer Senior Staff period. Points required for successful completion, or **Pass**, of each phase of the program are outlined in the program *Academic Policies and Procedures* document. Falling below the required points to Pass a particular element results in an **Incomplete** rating and credit for that element will not be recommended. The point values for each element of a course are detailed within the academic course syllabi for each semester as well as in the Internship vocational Performance Review forms.

The student listed above has earned the points detailed below:

Semester	Course/Elements	Points Offered	Points Earned	Pass or Incomplete	Credit Hours* Recommended
Fall	Fundamentals of Christology	1000			
	Christian Disciplines	1000			
	Internship	2000			
Spring	Apologetics	1000			
	Personal Discipleship	1000			
	Internship	2000
